F.I.R.E. is a fraternal organization representing Missouri's largest association of professional African American firefighters, paramedics and emergency medical technicians all serving on the St. Louis Fire Dept. Founded in 1968, this organization has strive to fight racial discrimination in the fire service and as a result of its efforts and of those founding members, we now are over 250 members strong, the largest percentage of minorities in regards to the total dept. manpower in the nation.

Our Mission:

The mission of the F.I.R.E. Charitable Fund is to assist those in need or otherwise disenfranchised, and to champion causes, individuals, and organizations whose goals or philosophies are commensurate with our own. In 2006, the F.I.R.E. Charitable Fund and its contributors, along with the friends, family, and members of the Firefighters Institute for Racial Equality supported such worthy causes as Hurricane Katrina Relief, the Tom Joiner Foundation, Nelly's 4 Sho 4 Kids, and the Demetrius Johnson Foundation—to name a few. It is in this spirit of giving that we cordially invite you to participate in the fourth annual F.I.R.E. Charitable Fund Golf Tournament. The 4th annual F.I.R.E. Golf Tournament will help further our commitment by providing funding to expand our Christmas Food Drive and Scholarship program. This year we were able to feed well over 100 families and we were able to give away several scholarships to young college students, and we would like to also mention that we were proud to assist another organization with a very successful toy and book drive as well. We can only hope that with the help of your tax deductible contributions and your continued assistance in the future, these programs will further grow to promote wealth and prosperity in the lives of the families of our community in which we serve and someday abroad.
